☆ All competitors must compete at the age they were as of January 1 for the whole season. Competitors must also compete at the highest ranking belt they have achieved. If belt rank changes during the season and puts them in a different division, they must move to the new division. Points will continue to accumulate in the division they stated the year with.

☆ Musical competitors must bring their own sound box or share with someone in the same division (2 mins max to arrange)

\*\*NOTE girls sparring runs before boys. If one girl is present, she takes 1<sup>st</sup> place pts or fights the boys for those pts.
